Technical drawing of a cable-stayed bridge. The drawing includes a plan view and a cross-section. The plan view shows a bridge deck with a central section of length L_1 and two side sections of length L_2 . The cross-section shows a cable with a diameter of 100 mm and a length of 100 m. The drawing is labeled with dimensions L_1 , L_2 , and L_3 .

Technical drawing of a cable assembly. The drawing shows a cable with two loops at one end, branching into two parallel conductors, which then merge back into a single cable. Dimensions are indicated: L3 is the length of the looped section, L2 is the length of the parallel section, and L1 is the total length of the assembly.
